- Environmental Health Investigations Branch, California Department of Health Services
- Environmental health laboratory branch, California Department of Health Services
- Graduate School of Public Health at San Diego State University
- Greenaction for Health and Environmental Justice
- Kaiser Permanente of Northern California – Division of Research
- Lawrence Livermore National Laboratory

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Marin Breast Cancer Watch
- Oak Ridge Institute for Science and Education
- Pacific Institute
- Pesticide Action Network
- San Francisco Department of Environmental Health
- San Francisco Medical Society
- Senator Martha M. Escutia (California Senate District 30) and her staff
- State and local EPHT grantees
- University of California at Berkeley – Academic Partner for Excellence
- Urban Strategies Council and InfoOakland
- US Environmental Protection Agency – Region 9
- West Oakland Environmental Indicators Project

CDC NEPHTP National Partners

- Association of Public Health Laboratories
- Association of State and Territorial Health Officials
- Council of State and Territorial Epidemiologists
- Environmental Council of the States
- Environmental Protection Agency
- National Association of County and City Health Officials
- National Aeronautics and Space Administration: Earth Science Enterprise
- National Conference of State Legislatures
- National Environmental Health Association
- Physicians for Social Responsibility
- Small Area Health Statistics Unit of Imperial College London
- Trust for America's Health

SB702 Expert Working Group members

- University of California, Berkeley
- Lawrence Berkeley National Laboratory
- School of Public Health, University of California, Berkeley

Partners that Contribute to or Support the California Environmental Health Tracking Program

- U.S. Environmental Protection Agency, Region 9
- County of Orange Health Care Agency
- California Environmental Rights Alliance
- Analytical Toxicology Branch, National Center for Environmental Health, Centers for Disease Control and Prevention
- GetActive Software
- Institute for Health & Aging, Department of Social and Behavioral Sciences, University of California, San Francisco
- Department of Epidemiology and Environmental Health, School of Public Health, University of California, Los Angeles

- UC Berkeley Academic Partner for Excellence
- Urban Explorer

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Urban Habitat
- Urban Strategies Council
- US EPA Region 9
- West Oakland Asthma Coalition
- West Oakland Environmental Indicators Project

Technical Team

- California Electronic Death Registration System, California Department of Health Services
- California Environmental Protection Agency
- California Health Interview Survey, UCLA Center for Health Policy Research
- Center for Health Statistics, California Department of Health Services
- Childhood Lead Poisoning Prevention Branch, California Department of Health Services
- Division of Communicable Disease Control, California Department of Health Services
- Division of Environmental and Occupational Disease Control, California Department of Health Services
- Environmental Health Investigations Branch, California Department of Health Services
- Environmental health laboratory branch, California Department of Health Services
- Lawrence Livermore National Laboratory
- Pesticide Action Network
- Stanford University

Needs Assessment and Outreach Workgroup

- Occupational Health Branch, California Department of Health Services
- Environmental Health Investigations Branch, California Department of Health Services
- Sierra Club
- Health Research for Action Center, University of California, Berkeley
- California Environmental Rights Alliance
- Breast Cancer Action
- Physicians for Social Responsibility – Los Angeles
- Alameda County Health Agency, Department of Environmental Health
- California Conference of Directors of Environmental Health
- Pacific Institute

Partners that Contribute to or Support the California Environmental Health Tracking Program

- US EPA Region 9, Policy and Management Division

Future Assessment Participants: Data System Owners

- Aerometric Data Analysis and Management System
- Automated Vital Statistics System
- Behavioral Risk Factor Survey
- California Birth Defects Monitoring Program Registry
- California Emissions Inventory Development and Reporting System
- California Health Interview Survey
- California Women's Health Survey
- Elevated Lead Visual Information System
- EUREKA (California Cancer Registry)
- Highway Performance Monitoring System
- Medical Care Statistics Section System
- National Emissions Inventory Database
- Patient Discharge Database
- Pesticide Use Report Database
- Response & Surveillance System for Childhood Lead Exposure
- SENSOR Asthma Database
- SENSOR Pesticide Illness Database
- Superfund National Priorities List Assessment Program
- Toxics Release Inventory
- Water Quality Monitoring Database

Needs Assessment (survey, focus group, and key informant interview) participants

Phase 1 (Survey Questionnaire) Participants:

Non-Governmental Organizations (Geographic Scope of Services)

- American Cancer Society, California Division (National with California Focus).

Partners that Contribute to or Support the California Environmental Health Tracking Program

- American Lung Association of Central California (Multiple Counties: Merced, Mariposa, Madera, Fresno, Tulare, and Kings).
- American Lung Association of San Diego and Imperial Counties (Multiple Counties: San Diego and Imperial County).
- Breast Cancer Action (National with California Focus).
- Breast Cancer Fund (National with California Focus).
- California Communities Against Toxics (California).
- California Environmental Rights Alliance (California).
- Center for Environmental Health (California).
- Clean Water Action and Clean Water Fund (National with California Focus).
- Commonweal (National with California Focus).
- Environment California (California).
- Environmental Center of San Luis Obispo (County: San Luis Obispo).
- Environmental Health Coalition (County: San Diego/Tijuana).
- Environmental Justice Coalition for Water (California).
- Families for Early Autism Treatment (National with California Focus).
- Healthy Children Organizing Project (County: San Francisco).
- Healthy Homes Collaborative (County: Los Angeles).
- Legal Aid Foundation of Los Angeles (County: Los Angeles).
- Marin Breast Cancer Watch (County: Marin).
- Marin Cancer Project (County: Marin).
- Merced/Mariposa County Asthma Coalition (Multiple Counties: Merced, Mariposa).
- Natural Resources Defense Council (National).
- Pacific Institute (International with some local emphasis: West Oakland).
- Pacoima Beautiful (City: Pacoima).
- Pesticide Action Network (International, National, and California).
- Regional Asthma Management and Prevention Initiative (Multiple Counties : 6 Counties in the Bay Area).
- Silicon Valley Toxics Coalition (County: Santa Clara).
- Urban Habitat (Multiple Counties: Bay Area Region).
- Women's Cancer Resource Center (Multiple Counties: San Francisco, Alameda, and Contra Costa).

Local Health Departments

- Alpine County.
- Berkeley City.
- Contra Costa County.

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Humboldt County.
- Los Angeles County.
- Monterey County.
- Orange County.
- Placer County.
- Sacramento County.
- San Benito County.
- San Bernardino County.
- San Joaquin County.
- Santa Barbara County.
- Santa Cruz County.
- Sierra County.
- Ventura County.
- Yolo County.

Local Environmental Health Departments

- Contra Costa County.
- Imperial County.
- Kings County.
- Long Beach City.
- Modoc County.
- Mono County.
- Orange County.
- Riverside County.
- Sacramento County.
- San Mateo County.
- Santa Cruz County.
- Tulare County.
- Vernon City.

Phase 2 (Small Group Discussion) Participants:

CBOs/NGOs represented in the San Francisco Bay Area discussion:

- Bayview Hunters Point Community Advocates.

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Center for Justice, Tolerance, and Community.
- Commonweal.
- Communities for a Better Environment.
- Community Housing Development Corporation of North Richmond.
- Environmental Indicators Project.
- InfoOakland.
- Marin Breast Cancer Watch.
- Pacific Institute (host organization).
- Regional Asthma Management Program.
- Urban Habitat.
- West Oakland Environmental Indicators Project.

CBOs/NGOs represented in the Central Valley discussion:

- American Lung Association of Central California (host organization).
- Center on Race, Poverty, and the Environment.
- Fresno Interdenominational Refugee Ministries.
- La Unión Del Pueblo Entero.
- Latino Issues Forum.
- Merced/Mariposa County Asthma Coalition.
- San Joaquin Valley Health Consortium.
- Sequoia Community Health Centers.

CBOs/NGOs represented in the Southern California discussion:

- California Communities against Toxics.
- Coalition for Clean Air (host organization).
- Del Amo Action Committee.
- East Yard Communities for Environmental Justice.
- Health Care without Harm.
- Physicians for Social Responsibility.

Programs represented in the discussion with the Contra Costa Health Services:

- Asthma Program.
- Community Health Assessment Planning and Evaluation.

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Family, Maternal and Child Health Programs.
- HazMat Program.
- Homeless Program.
- Lead Poisoning Prevention.

Programs represented in the discussion with the City of Long Beach Department of Health and Human Services:

- Bioterrorism Program.
- Bureau of Environmental Health.
- Food Program.
- Support Services (IT).

Programs represented in the discussion with the Los Angeles County Department of Health Services:

- Environmental Health.
- Office of Health Assessment and Epidemiology.
- Office of Health Assessment and Epidemiology, Epidemiology Unit.
- Office of Health Assessment and Epidemiology, Toxics Epidemiology Program.
- Public Health.

Programs represented in the discussion with the Yolo County Health Department:

- Environmental Health.
- Environmental Health.
- Epidemiology.
- Fiscal and IT.
- Public Health Programs.
- Public Health Housing.

Key Informants for the Tribal Needs Assessment:

- 29 Palms Band of Mission Indians.
- Agua Caliente Band of Cahuilla Indians.
- Big Pine Band of Owens Valley.
- Federated Tribes of Graton Rancheria.

Partners that Contribute to or Support the California Environmental Health Tracking Program

- Hoopa Valley Tribe.
- Quartz Valley Indian Community.
- Susanville Indian Rancheria.
- Yurok Tribe of the Yurok Reservation.
